Subject: Reminder: Nevada Tax Amnesty Program is Underway
Date: August 7, 2008

To Our Clients and Friends:

This is a reminder that persons and businesses that conduct business in Nevada have until September 30th to take advantage of Nevada's tax amnesty program. Eligible taxes include sales/use tax, modified business tax (i.e., employer payroll tax), and the state business license fee. Participants in the program receive a waiver of interest and penalties.

The program is for persons and businesses that have a tax liability which was due and payable on or before June 1, 2008. The liability may be due to the failure to file tax returns, filing returns but not paying the taxes, a past audit, an untaxed purchase, an error found in prior tax returns, or discovery that a person or business should have been registered for a business license or sales permit.

In order to qualify for the program, the taxes and/or fees must be paid in full. The program does not apply to persons or businesses that have been assessed fraud or negligence penalties.

If you have any questions regarding the within, or any other state and local tax matters, please do not hesitate to contact me.
